Copyright

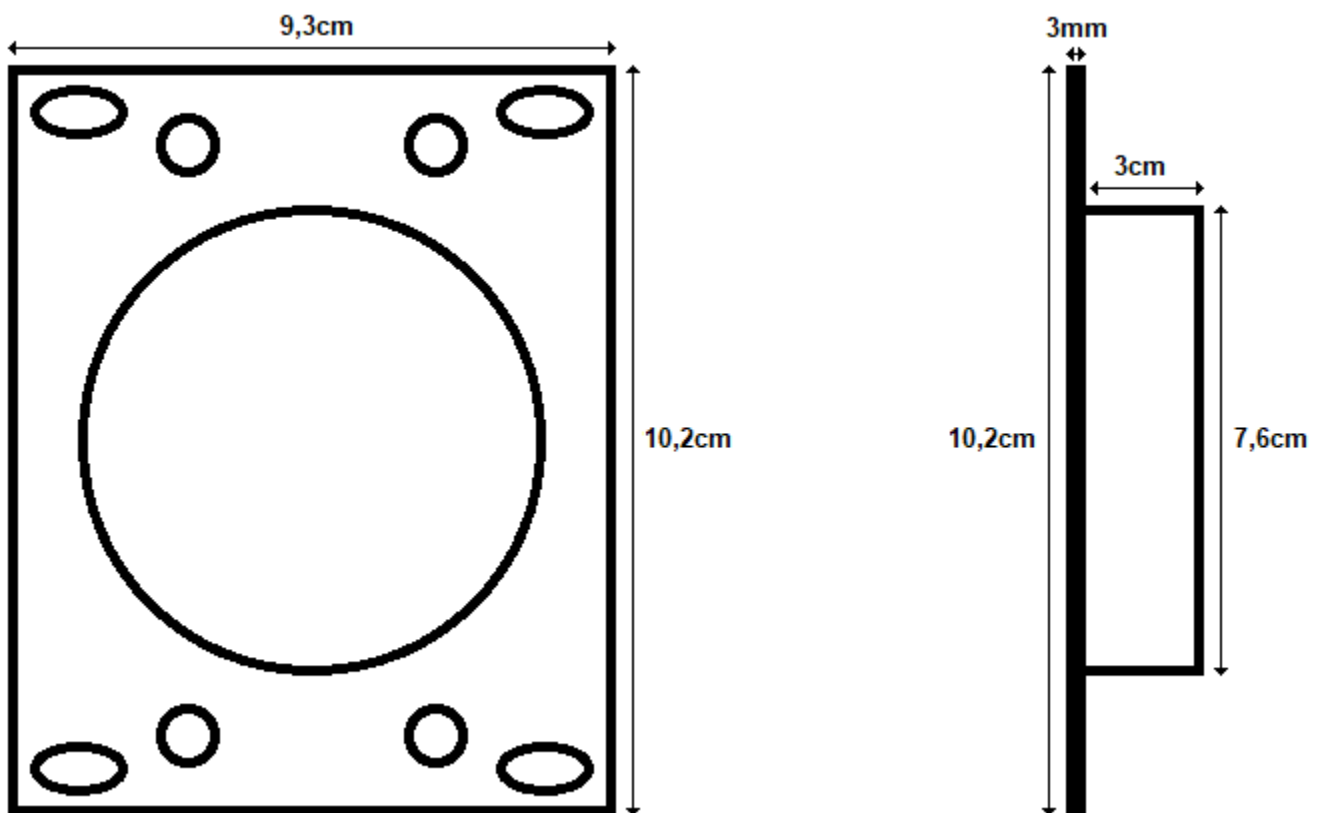

This document covers all the measurements that are needed to recreate my Do It Yourself heat shield / mounting bracket. I share this information free of charge, because I want to help and contribute to the Miata community.

If you want to share this information with your friends, please credit me in the right way; mention MiataMods, my website www.miatamods.net and the YouTube link of my how-to video: <https://www.youtube.com/watch?v=Esfl9M1pmIE>

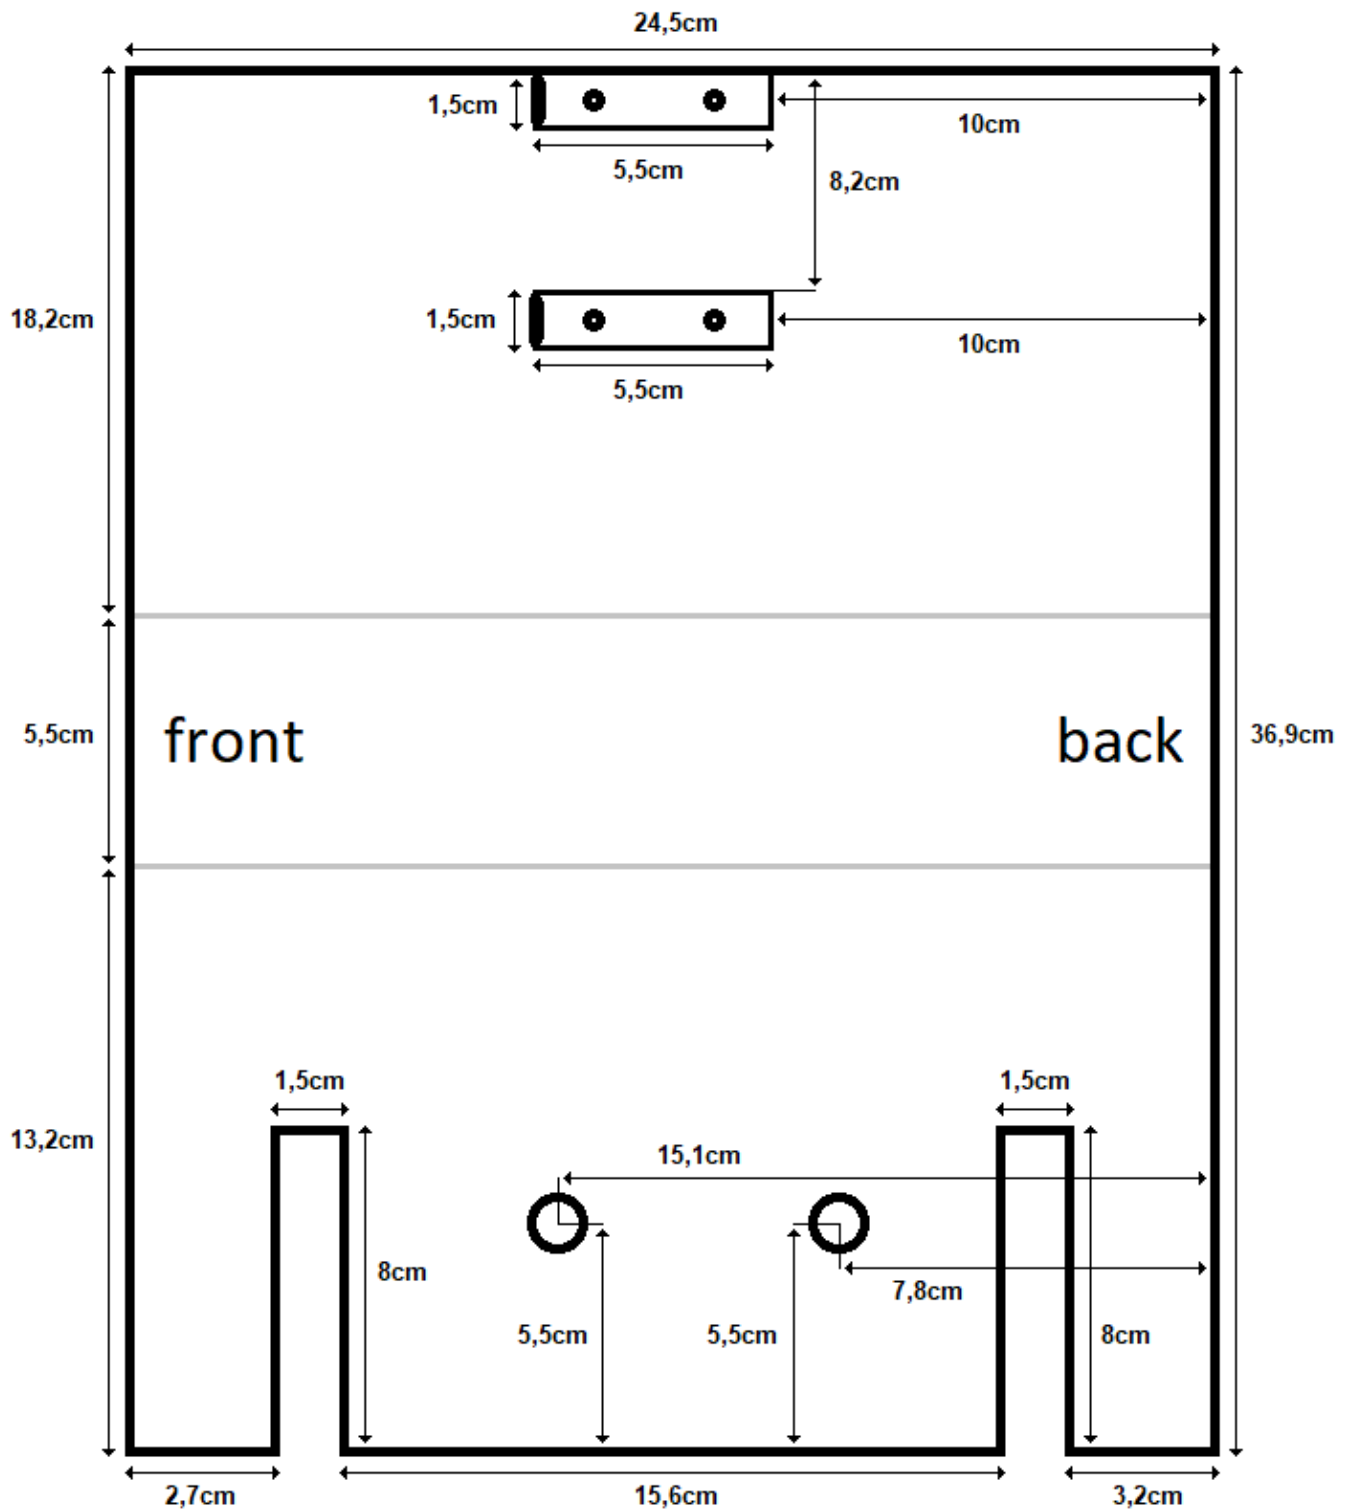

This information is for personal use only. Companies are not allowed to use this information to reproduce and/or sell this heat shield / mounting bracket without my permission. No part of this document may be reproduced, distributed, or transmitted in any form or by any means, including photocopying, recording, or other electronic or mechanical methods, without written permission of MiataMods.

For permission requests, send an e-mail to info@miatamods.net.
